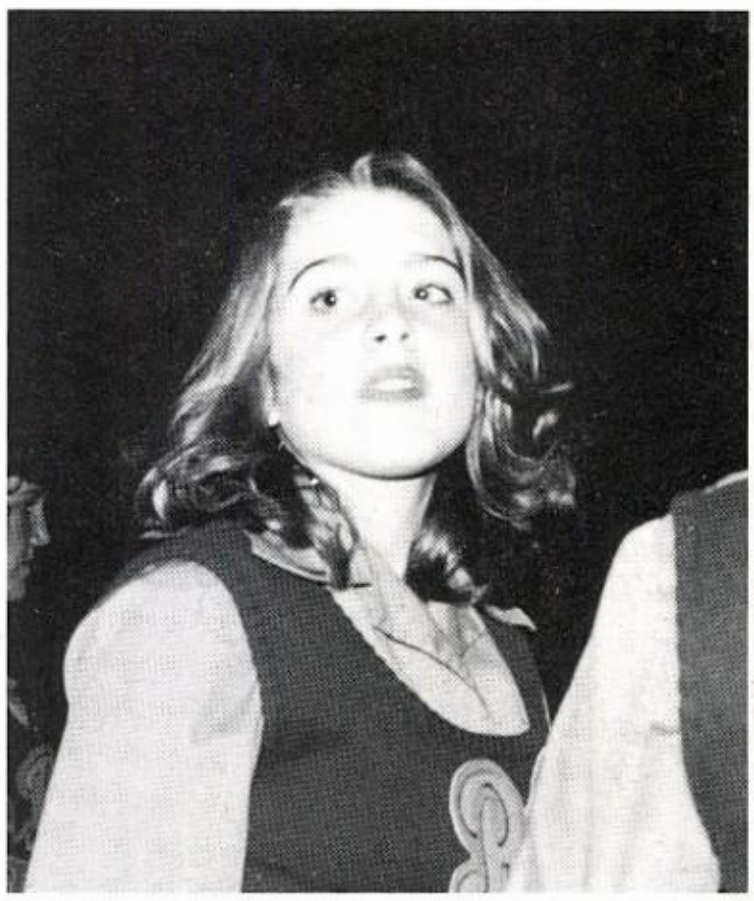
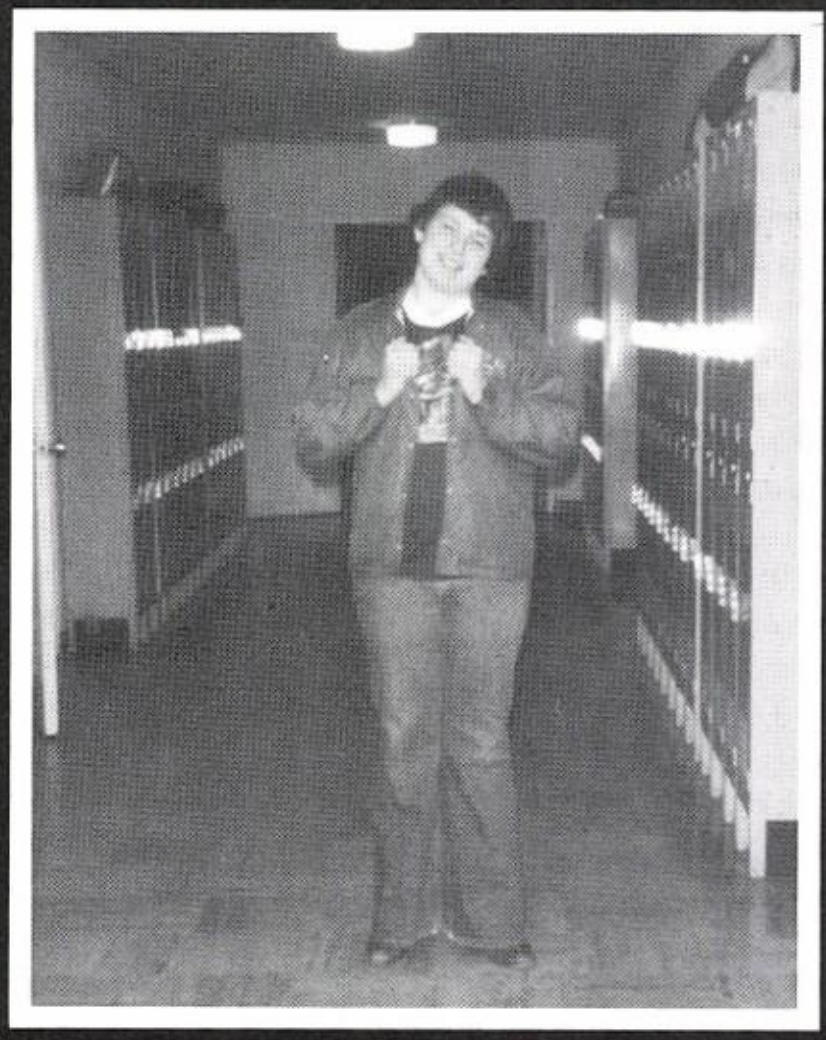
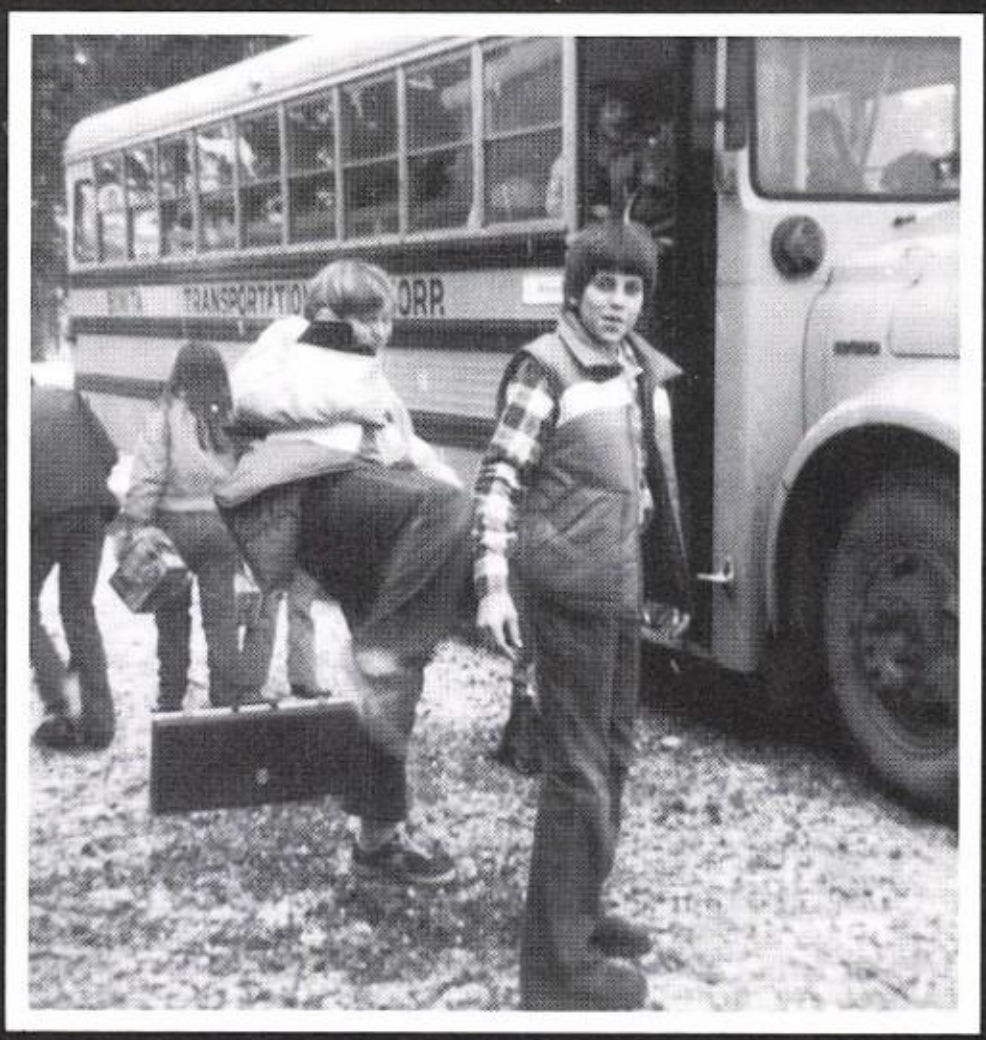
We're Looking Good Here

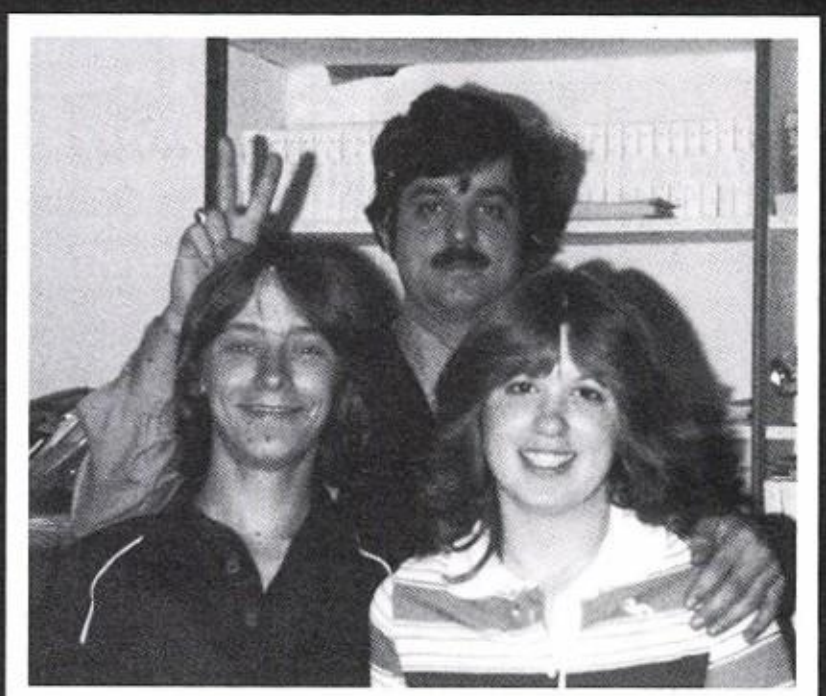


Foreword

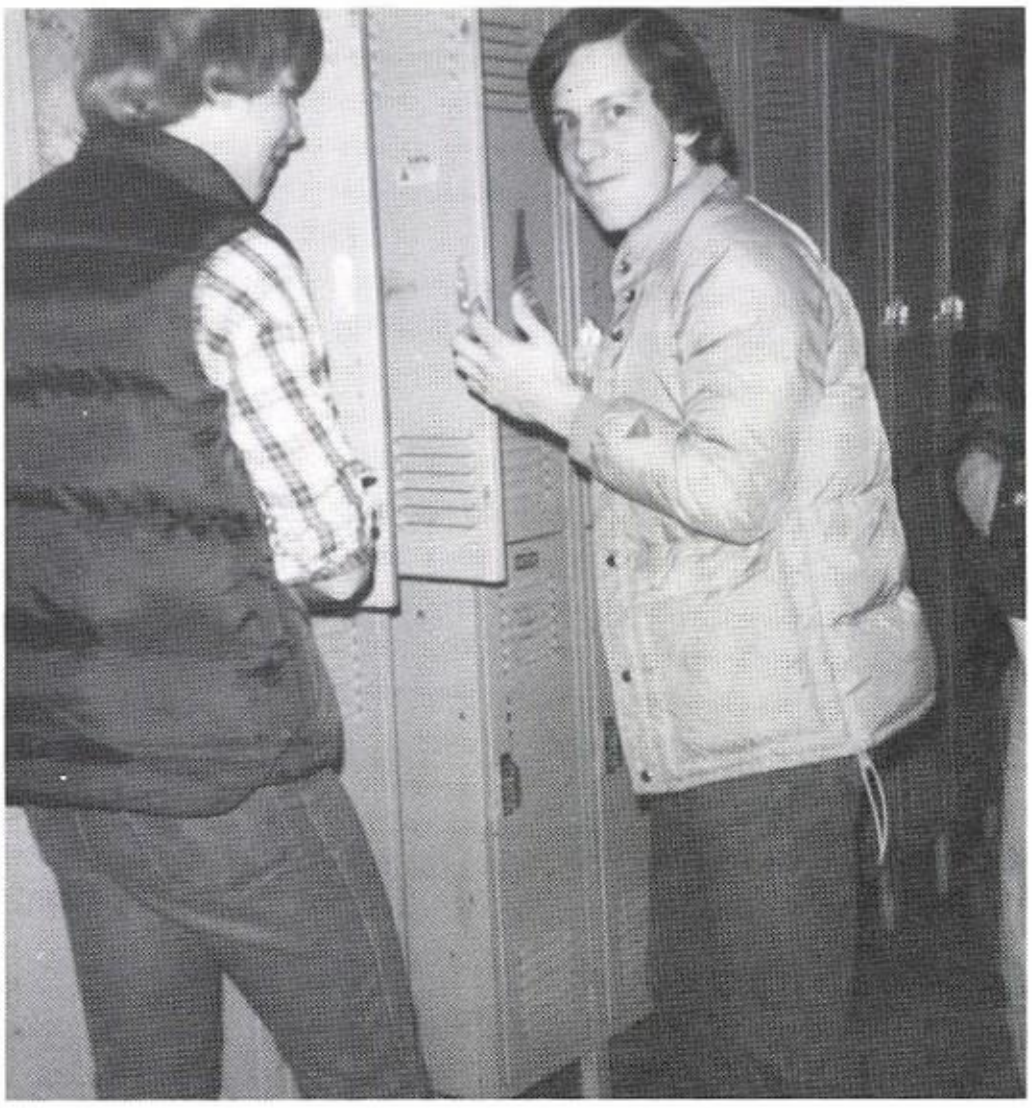
In the forthcoming pages, a scrapbook of memories has been laid before you. There are those of you who with these memories will walk from the doors of P.V.A. into the widely spread arms of the world; and there, are those who are still to spend one, two, or more years of your lives in the halls of P.V.A., warmed by the laughter of classmates. We are all aware that this year of happiness will be outstanding in our future years. The Spartan Staff now presents to you with a friendly hand this volume of the Spartan to keep the joys of this unforgettable year fresh in your mind.

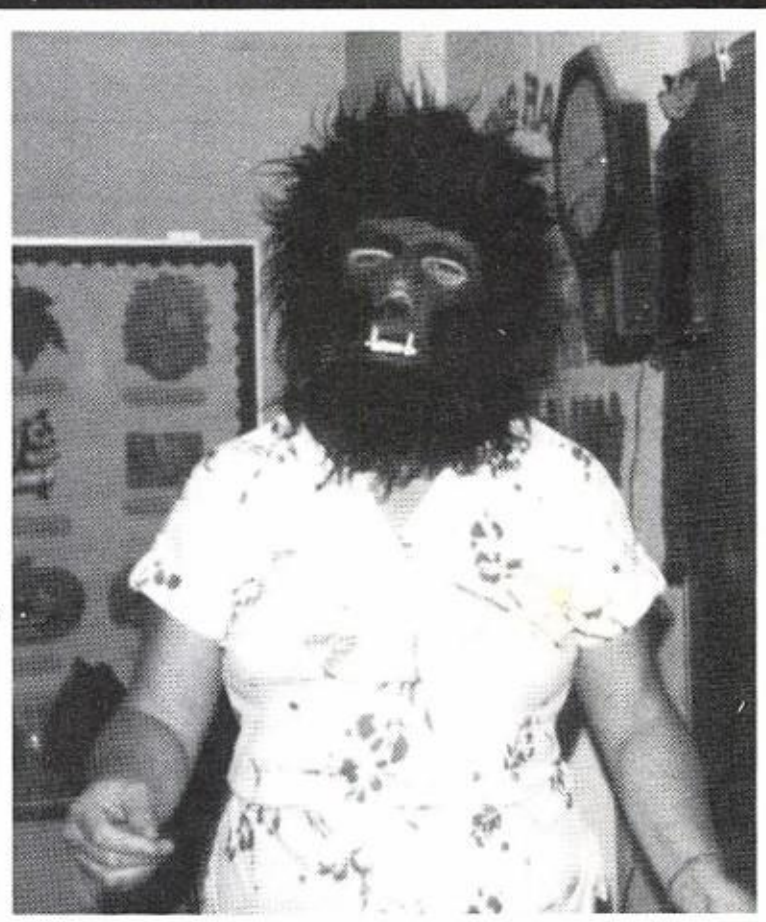






We're Looking Good There





A school whose duty is to help mold scholastically competent socially able individuals must have a board of administrators trained in education. The administrators must be able to work with the students, faculty, and others they encounter in their work to promote harmony and better understanding within the school community. We feel that our administration and our faculty meet the standards of excellence in fulfilling their obligations to those to whom they are responsible. P.V.A. is proud of its "officials" — we boast the best of the lot.

We're Looking Good

Baby,

I just thought I'd write a few lines to tell you that you are one of the sweetest, honest, cutest boyfriends anyone could get. The only thing you need to change is your jealousy. Maybe one day that will change.

I want you to know that I love you very much, and nobody can ever break us up. Well, I better go because I can't of anything to write.

Love ya,
Connie

ADMINISTRATION

Principal, Robert R. Lively

To the Faculty and Students:

I congratulate you upon the completion of a successful and full year of school experience. To those who are leaving P.V.A. at this time, our sincere best wishes for your continued success. To those students who have not yet completed their school experiences, we offer a word of encouragement. The world demands much from the youth of today. The students enjoy the P.V.A. athletic program offered yearly. Many of our students participate in basketball, football, track, and baseball. Most of the student body enjoys the game, whatever it may be, from the spectator's view. Regardless of whether we are watching or playing, we do look forward to each season and each sport offered. The color, the pep, the cheers and all that goes with athletics is a vital part of our school year.

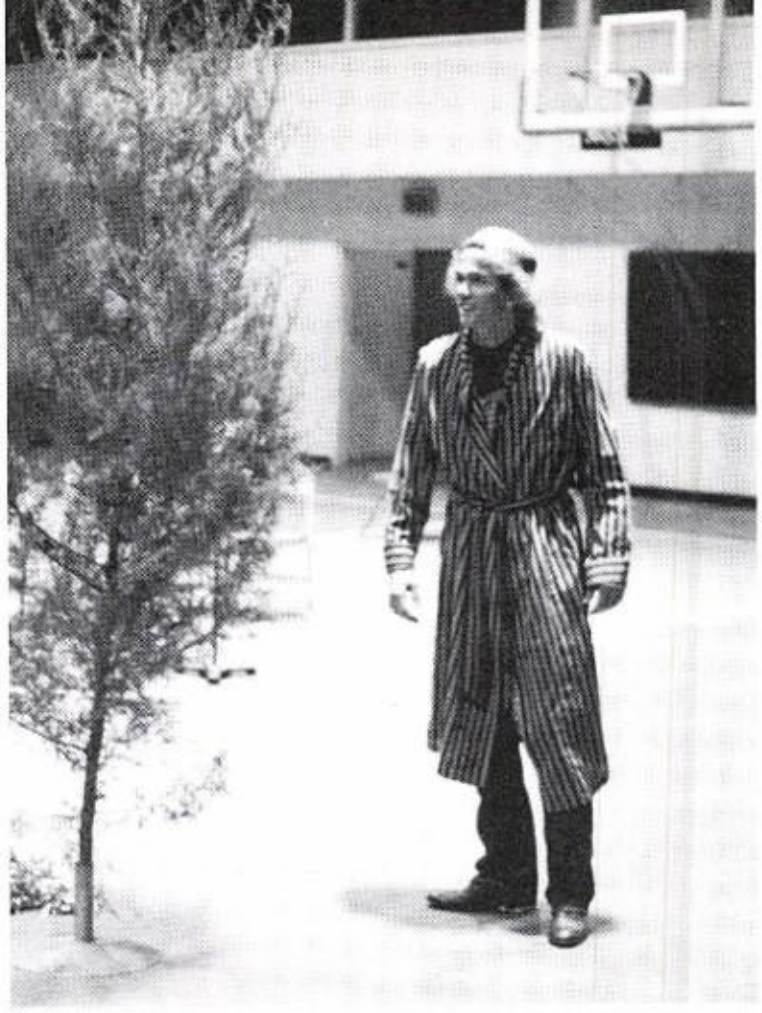
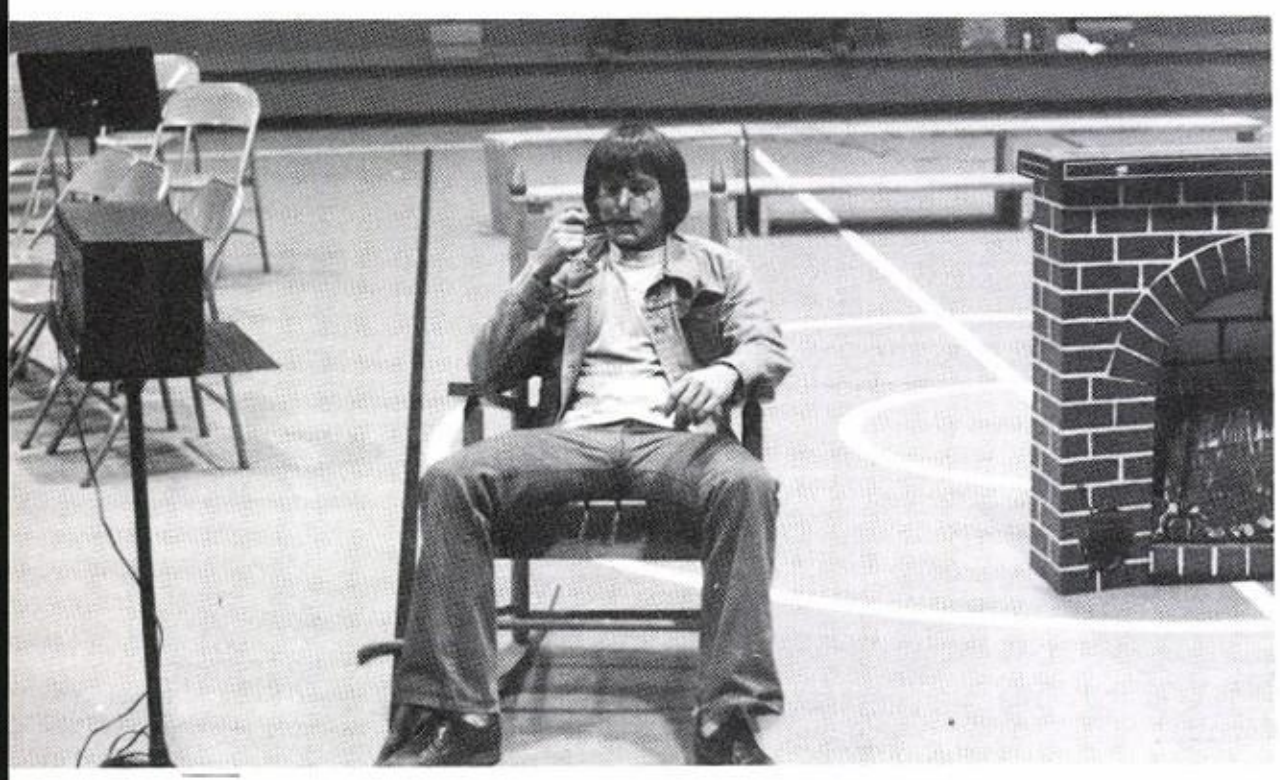
Christmas Time

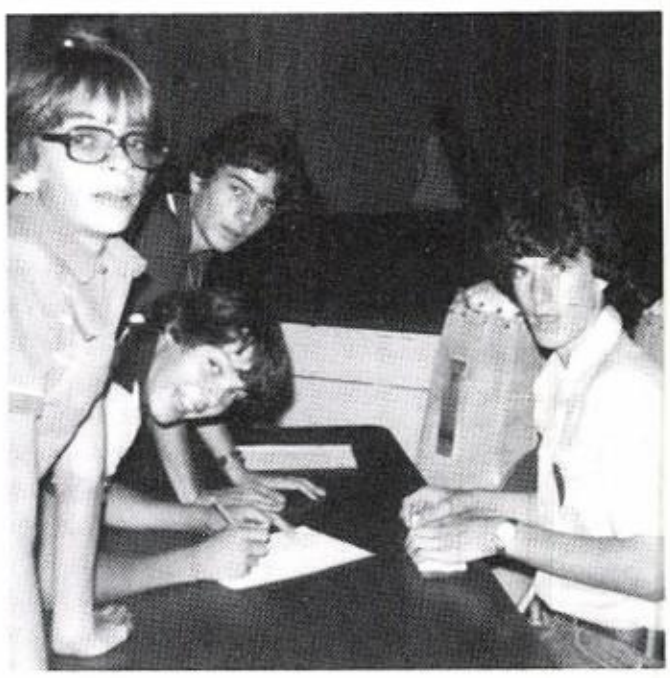
P.V.A. Band opened our Christmas program with various Christmas selections. Speech students then presented a "Charlie Brown Christmas" and the one act play "Pa Puts Up the Christmas Tree." Pa, Jim Eckles, kept the story moving while Grandpa, Ronald Vining, seemed to slow things down. This was a fun assignment for the speech class and Snoopy, Dirk Lawhon. Our chorus entertained us with beautiful Christmas music. Most of the students seemed to enjoy Mr. Lively saying, "Merry Christmas, you are dismissed and I'll see you next year" most of all.





Kindergarten students observe National Smoke Out Week.

Nov. Election



Civics students planned and conducted a school Presidential election. Only 15 high school students failed to vote and 7 of these 15 were absent. Mr. Reagan was elected when he carried 112 of our 154 votes.

Playday

P.V.A. sponsored its first playday for our students. Various relay races, sack races, tug-o-war, etc. were held for students from kindergarten through Junior High. One of the most popular events was the raw egg toss. The faculty organized and challenged the high school students to a softball game. The faculty had a taste of sweet victory. Jr. and Sr. High girls participated in a Powder Puff football game with the 7th grade boys serving as cheerleaders. The day began with a hamburger and hot dog lunch, which was prepared by members of our Parents Club.

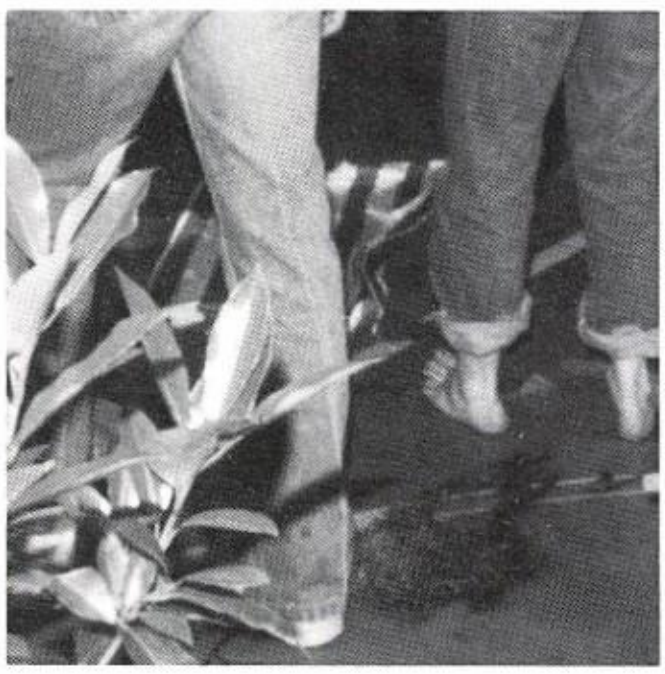
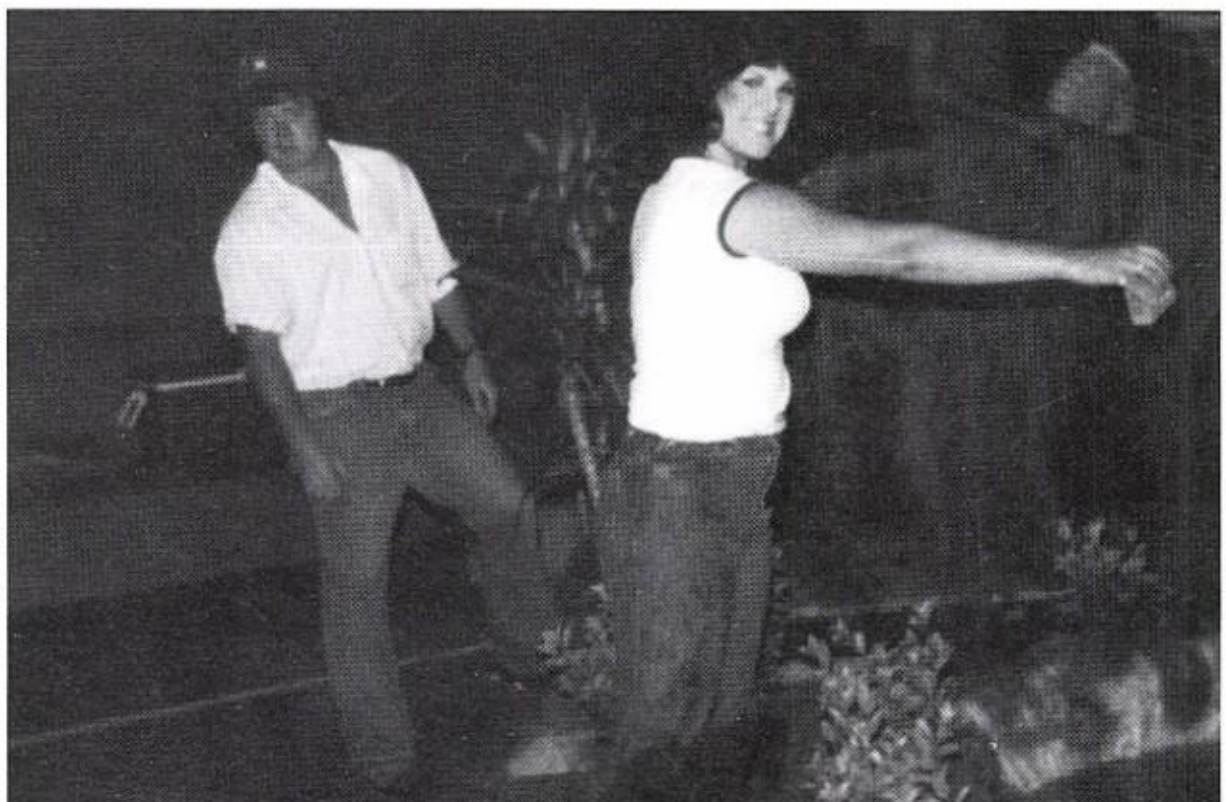
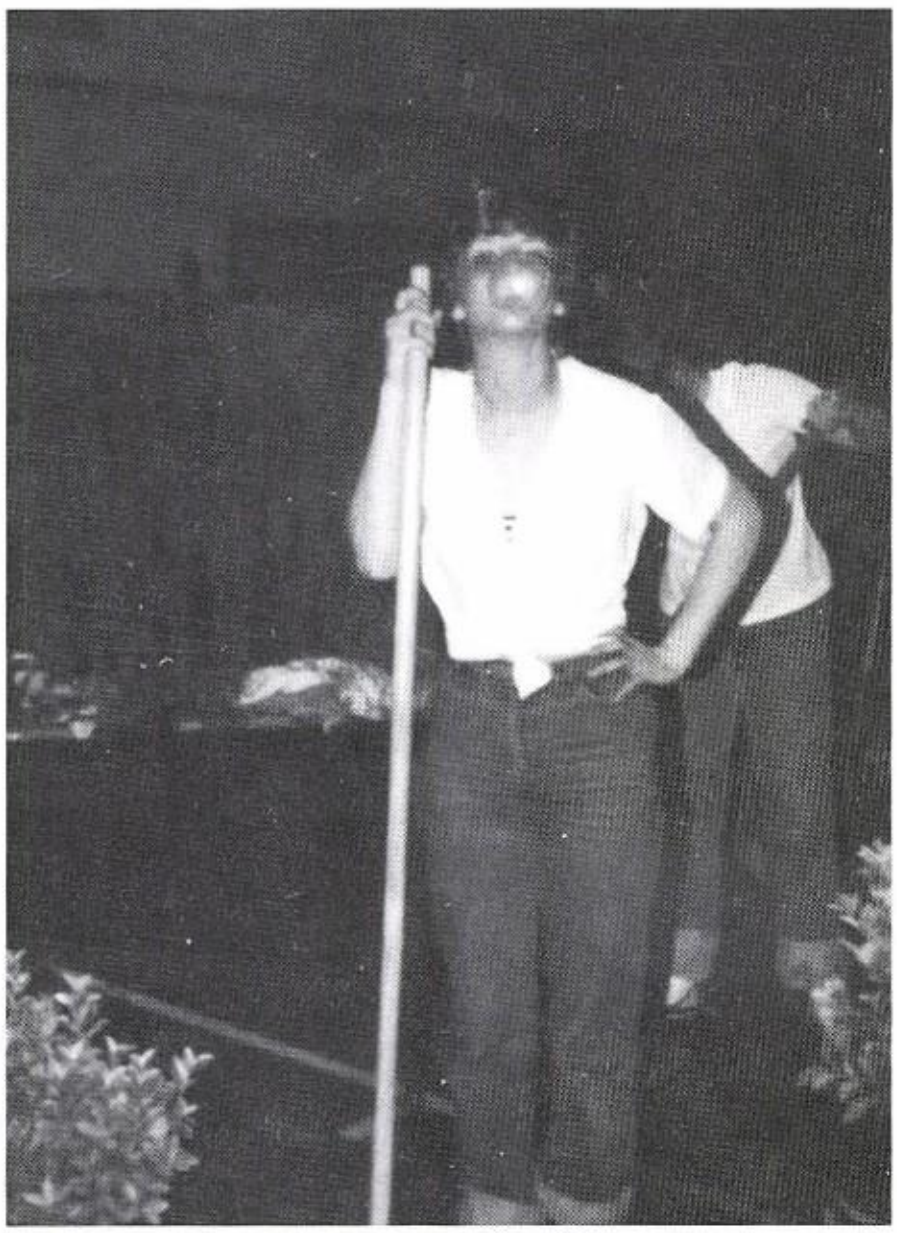
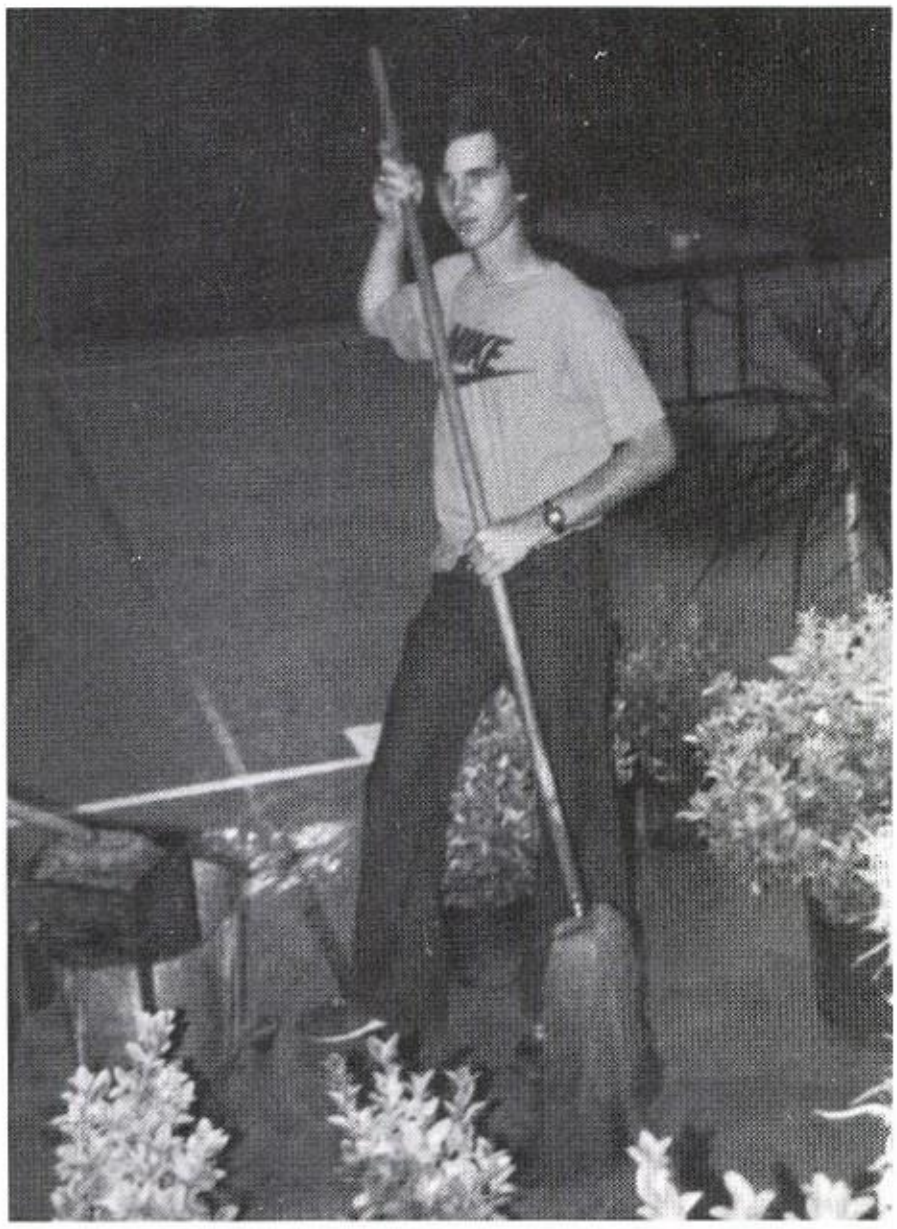
Junior Senior Prom









Aloha

As the saying goes "the show must go on" and "on" the Prom did go. Despite money shortages and band employment problems, the Junior Class did a whale of a job in taking us to the lovely islands. Dancing to the beat of the drums, drinking native drinks from pineapples and trailing your fingers in cool ponds certainly created an evening of enjoyment, romance and memories.

John,
Well it's gonna be so hard to live with-
out my dear sweet husband
I just don't think I'll be able
to live. You so dishonest, so
annoying (just picking), they
though. We did have some pretty kids
how about that! John I've really gonna miss
you you know that. I hope you have fun, but
don't get in trouble cause they are not as easy
to fool as Carol, I mean they probably won't believe
that jungle juice is Hawiian punch and besides
I don't think you can buy D.P. by the gallon
well, hell at least she tried for it, that's the
way. I'll never forget that night we
went to your house and got so damned blitzed
but it was fun as hell. God everytime I
see flame thrower I think of that night.
